Attention: Ibrar Khan

Dear Ibrar Khan:

Re: Royal Bank of Canada (“RBC”) loans to EA Logistics Inc. (“ELI”)

We are counsel to RBC in its capacity as secured creditor of ELI.

ELI is indebted to RBC with respect to certain credit facilities (the “**Credit Facilities**”) made available by RBC pursuant to and under the terms of a credit agreement most recently dated June 7, 2023, (as the same may have been amended, replaced, restated, modified or otherwise supplemented from time to time, collectively, the “**Credit Agreement**”). As security for its obligations under the Credit Agreement, ELI granted security to RBC over all of its present and after acquired property, assets, and undertaking pursuant to a General Security Agreement dated January 7, 2022 (“**GSA**” or, the “**Security**”).

ELI is indebted to RBC under the Credit Facilities in the amount of \$1,779,552.29 CDN, and \$16,697.46 USD, as of January 2, 2024.

In light of the demand nature of certain Credit Facilities and Events of Default (as defined in the Credit Agreement) which have occurred, we, on behalf of RBC, demand payment of \$1,779,552.29 CDN, and \$16,697.46 USD, plus accruing interest and any and all costs and expenses (including, without limitation, legal and other professional fees) incurred by RBC (the “**Indebtedness**”). Payment must be made immediately.

To that end, we, on behalf of RBC, enclose a Notice of Intention to Enforce Security delivered pursuant to subsection 244(1) of the *Bankruptcy and Insolvency Act* (Canada) (the “**BIA Notice**”) together with a draft consent to early enforcement of RBC’s security, should you desire to provide said consent.

RBC hereby reserves its rights to initiate proceedings within the ten (10) day period set out in the BIA Notice, if circumstances warrant such proceedings.

LERNERS

Page 2

If payment of the Indebtedness is not received immediately, RBC shall take whatever steps it considers necessary or appropriate to collect and recover the amounts owing to it. These steps include, without limitation, steps to appoint an interim receiver, receiver, or receiver and manager of the property, assets and undertakings of ELI, in which case RBC will also be seeking all costs incurred in doing so.

Re: Royal Bank of Canada (“RBC”) loans to EA Logistics Inc. (“ELI”)

We are counsel to RBC in its capacity as secured creditor of ELI.

ELI is indebted to RBC with respect to certain credit facilities (the “**Credit Facilities**”) made available by RBC pursuant to and under the terms of a credit agreement most recently dated June 7, 2023, (as the same may have been amended, replaced, restated, modified or otherwise supplemented from time to time, collectively, the “**Credit Agreement**”). As security for its obligations under the Credit Agreement, ELI granted security to RBC over all of its present and after acquired property, assets, and undertaking pursuant to a General Security Agreement dated January 7, 2022 (“**GSA**” or, the “**Security**”).

ELI is indebted to RBC under the Credit Facilities in the amount of \$1,779,552.29 CDN, and \$16,697.46 USD, as of January 2, 2024.

In light of the demand nature of certain Credit Facilities and Events of Default (as defined in the Credit Agreement) which have occurred, we, on behalf of RBC, demand payment of \$1,779,552.29 CDN, and \$16,697.46 USD, plus accruing interest and any and all costs and expenses (including, without limitation, legal and other professional fees) incurred by RBC (the “**Indebtedness**”). Payment must be made immediately.

To that end, we, on behalf of RBC, enclose a Notice of Intention to Enforce Security delivered pursuant to subsection 244(1) of the *Bankruptcy and Insolvency Act* (Canada) (the “**BIA Notice**”) together with a draft consent to early enforcement of RBC’s security, should you desire to provide said consent.

RBC hereby reserves its rights to initiate proceedings within the ten (10) day period set out in the BIA Notice, if circumstances warrant such proceedings.

LERNERS

Page 2

If payment of the Indebtedness is not received immediately, RBC shall take whatever steps it considers necessary or appropriate to collect and recover the amounts owing to it. These steps include, without limitation, steps to appoint an interim receiver, receiver, or receiver and manager of the property, assets and undertakings of ELI, in which case RBC will also be seeking all costs incurred in doing so.

Yours truly,

INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT

To the Shareholders of EA LOGISTICS INC.

I have reviewed the accompanying financial statements of EA LOGISTICS INC. (the company) that comprise the balance sheet as at May 31, 2023, and the statements of income, retained earnings and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for private enterprises (ASPE), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility

My responsibility is to express a conclusion on the accompanying financial statements based on my review. I conducted my review in accordance with Canadian generally accepted standards for review engagements, which require me to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, I do not express an audit opinion on these financial statements.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the financial statements do not present fairly, in all material respects, the financial position of EA LOGISTICS INC. as at May 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with ASPE.

Emphasis of Matter - Comparative Information

I draw attention to Note 3 to the financial statements which describes that EA LOGISTICS INC. adopted ASPE on June 1, 2022 with a transition date of June 1, 2021. These standards were applied retrospectively by management to the comparative information in these financial statements, including the balance sheets as at May 31, 2022, and the statements of income, retained earnings and cash flows for the year ended May 31, 2022 and related disclosures. My conclusion is not modified in respect of this matter.

(continued)

I was not engaged to report on the comparative information, and as such, it is neither audited nor reviewed.

Other Matter

The financial statements of EA LOGISTICS INC. for the year ended May 31, 2022 were compiled and are presented for comparative purposes only.

EA LOGISTICS INC.
Notes to Financial Statements
Year Ended May 31, 2023

1. DESCRIPTION OF BUSINESS

EA Logistics Inc. (the "company") is incorporated provincially under the Business Corporations Act of Canada on June 3, 2021. The company's principal business activity is transportation of goods and allied products.

2. BASIS OF PRESENTATION

The financial statements were prepared in accordance with Canadian accounting standards for private enterprises (ASPE). Canadian accounting standards for private enterprises are part of Canadian GAAP.

3. FIRST TIME ADOPTION OF ACCOUNTING STANDARDS FOR PRIVATE ENTERPRISES

During the year the company adopted Canadian accounting standards for private enterprises (ASPE). These financial statements are the first prepared in accordance with these standards. The adoption of ASPE had no impact on retained earnings as at June 1, 2022 or income for the year ended May 31, 2022 as previously reported in accordance with pre-changeover Canadian generally accepted accounting principles.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Property, plant and equipment

Property, plant and equipment is stated at cost or deemed cost less accumulated amortization and is amortized over its estimated useful life on a declining balance basis at the following rates and methods:

Truck & Trailer	30% declining balance method
Furniture and fixtures	20% declining balance method

The company regularly reviews its property, plant and equipment to eliminate obsolete items. Government grants are treated as a reduction of property, plant and equipment cost.

Property, plant and equipment acquired during the year but not placed into use are not amortized until they are placed into use.

Financial instruments

Financial instruments are recorded at fair value when acquired or issued. All financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Income taxes

The company uses the income taxes payable method of accounting for income taxes. Under this method, the company reports as an expense (income) of the period only the cost (benefit) of current income taxes determined in accordance with the rules established by taxation authorities.

EA LOGISTICS INC.
Notes to Financial Statements
Year Ended May 31, 2023

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Foreign currency translation

Accounts in foreign currencies have been translated into Canadian dollars using the temporal method. Under this method, monetary assets and liabilities have been translated at the year end exchange rate. Non-monetary assets have been translated at the rate of exchange prevailing at the date of transaction. Revenues and expenses have been translated at the average rates of exchange during the year, except for amortization, which has been translated at the same rate as the related assets.

Foreign exchange gains and losses on monetary assets and liabilities are included in the determination of earnings.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for private enterprises requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

Revenue recognition

The company recognizes revenues when they are earned, specifically when all the following conditions are met:

- services are provided or products are delivered to customers
- there is clear evidence that an arrangement exists
- amounts are fixed or can be determined
- the ability to collect is reasonably assured.

Impairment of long lived assets

The company tests for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. Recoverability is assessed by comparing the carrying amount to the projected future net cash flows the long-lived assets are expected to generate through their direct use and eventual disposition. When a test for impairment indicates that the carrying amount of an asset is not recoverable, an impairment loss is recognized to the extent the carrying value exceeds its fair value.

5. PROPERTY, PLANT AND EQUIPMENT

	Cost	Accumulated amortization	2023 Net book value	2022 Net book value
Truck & Trailer	\$ 1,961,741	\$ 574,562	\$ 1,387,179	\$ 934,337

Upon adoption of accounting standards for private enterprises, the fair value of land and building was adopted as the deemed cost of these assets. Accordingly, related amortization expense has been restated where applicable. Further details of this restatement are provided in Note 3.

11. FINANCIAL INSTRUMENTS

The company is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the company's risk exposure and concentration as of May 31, 2023.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The company is exposed to credit risk from customers. In order to reduce its credit risk, the company reviews a new customer's credit history before extending credit and conducts regular reviews of its existing customers' credit performance. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The company has a significant number of customers which minimizes concentration of credit risk.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The company is exposed to this risk mainly in respect of its receipt of funds from its customers and other related sources, long term debt, obligations under capital leases, contributions to the pension plan, and accounts payable.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate risk, interest rate risk and other price risk. The company is mainly exposed to interest rate risk.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the company manages exposure through its normal operating and financing activities. The company is exposed to interest rate risk primarily through its floating interest rate bank indebtedness and credit facilities.

Unless otherwise noted, it is management's opinion that the company is not exposed to significant other price risks arising from these financial instruments.

12. COMPARATIVE FIGURES

Some of the comparative figures have been reclassified to conform to the current year's presentation.

13. UNFUNDED CAPITAL EXPENDITURES

There is no unfunded Capital expenditures in financial statements for the year ended May 31, 2023.
