(the "**Purchaser**") contained in the First Report of the Receiver dated December 2, 2024 (the "**First Report**") and the Confidential Appendices to the First Report (the "**Confidential Appendices**"), for the sale of the Purchased Assets (as defined in the APA) and vesting all of the right, title and interest in and to the Purchased

Assets of Igloo Industries Group Ltd. (the “**Debtor**”) absolutely in the Purchaser, free and clear of and from any any security, charge or other encumbrance;

2. An Ancillary Order, substantially in the form attached at Schedule “B”:
 - a) abridging the time for service, filing and confirmation of the Notice of Motion and the Motion Record, and validating service so that this motion is properly returnable December 11, 2024;
 - b) approving the First Report and the Confidential Appendices and the activities and conduct of the Receiver set out therein provided, however, that only the Receiver, in its personal capacity and only with respect to its own personal liability, shall be entitled to rely upon or utilize in any way the approval of the First Report;
 - c) approving the Receiver's Interim Statement of Receipts and Disbursements as detailed in the First Report;
 - d) sealing the Confidential Appendices until the completion of the APA, or until a further order of this Court;
 - e) approving the fees and disbursements of the Receiver and its counsel, Harrison Pensa LLP, and authorizing payment of same;
 - f) the costs of this motion on a substantial indemnity basis, if opposed; and,
 - g) Such further and other relief as counsel may request and this honourable court may permit.

THE GROUNDS FOR THE MOTION ARE:

The Appointment of the Receiver and the Real Property

1. The Creditor, Royal Bank of Canada (“**RBC**”) is a secured creditor of the Debtor, and the Debtor was indebted to RBC in the approximate sum of \$6,500,000.00 as at February 12, 2024, plus legal fees and interest which continue to accrue.

2. Pursuant to an Order of this Court made on May 22, 2024 (the “**Appointment Order**”), Spergel was appointed Receiver, without security, of the assets, undertakings and property of the Debtor.

The Receiver's Activities

3. The Receiver's activities since its appointment have concentrated on, *inter alia*:
 - a. Obtained the Debtor's books and records and met with senior management;
 - b. Terminated all employees of the Debtor and completed necessary WEPPA filings;
 - c. Communicated with Canada Revenue Agency (“**CRA**”);
 - d. Arranged for a seizure of all of the Debtor's vehicles and a manual inventory of all equipment on site at the Debtor's business premises at 124 Norfinch Drive, North York, Ontario (the “**Business Premises**”);
 - e. Coordinated with the Debtor's landlord for occupation rent, and ensured that the Business Premises were secure and insured;
 - f. Conducted and completed a factory clearance sale from the Business Premises which resulted in the sale of a significant portion of the Debtor's inventory located at the Business Premiss;
 - g. Engaged an auctioneer, NDG North America, LLC, to liquidate the Debtor's inventory located in the USA;
 - h. Conducted the Sales Process (as defined below) which resulted in the Transaction; and,
 - i. Prepared the First Report.
4. The Receiver requests that its actions, as outlined in the First Report, should be approved by this Honourable Court.

The Sales Process and the APA

5. Pursuant to the provisions of the Appointment Order, the Receiver is mandated to market and sell the Property of the Debtor, including the Purchased Assets.
6. The Purchased Assets constitute inventory of the Debtor not included in the prior sale, as well as the Debtor's vehicles, equipment, and intellectual property.
7. The Receiver conducted a thorough sales and marketing process for the Purchased Assets, which included:
 - a. Advertised to potential purchasers in the Globe and Mail and Insolvency Insider;
 - b. Provided a teaser document to interested parties;
 - c. Provided a detailed Confidential Information Memorandum to twenty-one interested parties who had executed a non-disclosure agreement with the Receiver.

(collectively, the "**Sales Process**")

8. The Receiver completed the Sales Process, which resulted in five (5) offers being received by the Receiver, details of which are contained in the Confidential Appendices.
9. After reviewing all offers received through the Sales Process, the Receiver, in consultation with RBC, determined that the APA would result in the best and highest recovery for the stakeholders of the Debtor's estate.
10. The details of the APA are provided in the First Report. The Receiver recommends the approval and completion of the APA for, *in er alia*, the following:
 - a. The Sales Process was fulsome and meets the *Soundair* principals;
 - b. The APA was the best and highest offer received pursuant to the Sales Process;
 - c. The APA provides certainty as to realizations, subject to the terms of the APA;
 - d. The APA eliminates any future risk to the Receiver as regards to market conditions;

- e. The purchaser pursuant to the APA is seeking to complete the Transaction as soon as practicable, which is beneficial to the stakeholders of the Debtor's estate; and
- f. The APA is supported by RBC and is not opposed by the Debtor.

11. The Receiver is of the view that the APA represents a commercially reasonable transaction which will maximize the recovery and is in the best interests of all stakeholders.

Sealing Order

12. Until such time as the APA is completed, or until further order of this Court, the Receiver is of the view that the information and documentation contained in the Confidential Appendices should be sealed in order to avoid the negative impact that the dissemination of the confidential information contained therein would have.

13. The disclosure of the information contained in the Confidential Appendices could potentially impair the value maximizing purpose of the Sales Process, and the sealing order sought in relation to the Confidential Appendices (i) aligns with the purpose of the Sales Process and the interest promoted therein; (ii) is fair and reasonable in the circumstances; and (iii) will achieve the desired benefit without unduly impairing the openness of the Court's process

Professional Fees

14. The Appointment Order requires the Receiver and its legal counsel to pass its accounts from time to time.

15. The Receiver and its counsel have each properly incurred fees and disbursements as detailed in the First Report.

16. The Receiver seeks the approval of the Receiver's fees and its counsel's fees, as detailed in the First Report, and payment of same.

17. Section 243 and 249 of the *Bankruptcy and Insolvency Act*.

18. Sections 100 and 137(2) of the *Courts of Justice Act*.

19. Rules 1.04, 2, 3, 37 and 38, of the *Rules of Civil Procedure*.

20. Such other grounds as counsel may advise and this Honourable Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the motion:

1. The Appointment Order;
2. The First Report and the Appendices thereto;
3. The Confidential Appendices; and,
4. Such materials as counsel may advise and this Honourable Court may permit.

APPROVAL AND VESTING ORDER

THIS MOTION, made by msi Spergel inc. in its capacity as the Court-appointed receiver (the "Receiver") of the undertaking, property and assets of Igloo Industries Group Ltd. (the "Debtor") for an order approving the sale transaction (the "Transaction") contemplated by an agreement of purchase and sale (the "Sale Agreement") between the Receiver and Nella Toronto Inc. (the "Purchaser") dated October 30, 2024 and appended to the First Report of the Receiver dated November 29, 2024 (the "Report"), and vesting in the Purchaser the Debtor's right, title and interest in and to the assets described in the Sale Agreement (the "Purchased Assets"), was heard this day at 330 University Avenue, Toronto, Ontario.

ON READING the Report and on hearing the submissions of counsel for the Receiver, [NAMES OF OTHER PARTIES APPEARING], no one appearing for any other person on the service list, although properly served as appears from the affidavit of [NAME] sworn [DATE] filed:

1. THIS COURT ORDERS AND DECLARES that the Transaction is hereby approved, and the execution of the Sale Agreement by the Receiver is hereby authorized and approved, with such minor amendments as the Receiver may deem necessary. The Receiver is hereby authorized and directed to take such additional steps and execute such additional

documents as may be necessary or desirable for the completion of the Transaction and for the conveyance of the Purchased Assets to the Purchaser.

2. THIS COURT ORDERS AND DECLARES that upon the delivery of a Receiver's certificate to the Purchaser substantially in the form attached as Schedule A hereto (the "Receiver's Certificate"), all of the Debtor's right, title and interest in and to the Purchased Assets described in the Sale Agreement and listed on Schedule B hereto shall vest absolutely in the Purchaser, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, mortgages, trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, or other financial or monetary claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the "Claims") including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Order of the Honourable Justice Wilton-Siegel dated May 22, 2024; (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Ontario) or any other personal property registry system, and, for greater certainty, this Court orders that all of the Claims affecting or relating to the Purchased Assets are hereby expunged and discharged as against the Purchased Assets.
3. THIS COURT ORDERS that for the purposes of determining the nature and priority of Claims, the net proceeds from the sale of the Purchased Assets shall stand in the place and stead of the Purchased Assets, and that from and after the delivery of the Receiver's Certificate all Claims shall attach to the net proceeds from the sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale, as if the Purchased Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.
4. THIS COURT ORDERS AND DIRECTS the Receiver to file with the Court a copy of the Receiver's Certificate, forthwith after delivery thereof.
5. THIS COURT ORDERS that, notwithstanding:

- (a) the pendency of these proceedings;
- (b) any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act* (Canada) in respect of the Debtor and any bankruptcy order issued pursuant to any such applications; and
- (c) any assignment in bankruptcy made in respect of the Debtor;

the vesting of the Purchased Assets in the Purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of the Debtor and shall not be void or voidable by creditors of the Debtor, nor shall it constitute nor be deemed to be a fraudulent preference, assignment, fraudulent conveyance, transfer at undervalue, or other reviewable transaction under the *Bankruptcy and Insolvency Act* (Canada) or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

6. THIS COURT HEREBY REQUESTS the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.

I. APPOINTMENT AND BACKGROUND

1. This first report (this “**First Report**”) is filed by msi Spergel inc. (“**Spergel**”) in its capacity as the Court-appointed receiver (in such capacity, the “**Receiver**”) of the assets, undertakings, and properties of Igloo Industries Group Ltd., (“**Igloo**” or the “**Company**”).
2. Igloo is a private corporation incorporated under the *Business Corporations Act (Ontario)* with a registered office at 124 Norfinch Drive, North York, Ontario. Igloo carried on the business of the wholesale and retail sale of commercial grade food service equipment, small wares and supplies, out of leased premises located at 124 Norfinch Drive, North York, Ontario, (the “**Business Premises**”).
3. On February 21, 2024, the Company filed a Notice of Intention to File a Proposal (“**NOI**”) pursuant to Subsection 50.4(1) of the *Bankruptcy and Insolvency Act*, (the “**BIA**”). Albert Gelman Inc. (“**AGI**”) was the Proposal Trustee (in such capacity the “**Proposal Trustee**”) in respect of Igloo’s NOI proceedings (the “**Proposal Proceedings**”). Attached to this First Report as **Appendix “1”** is a copy of the Certificate of Filing of the NOI issued by the Office of the Superintendent of Bankruptcy (the “**OSB**”).
4. Spergel, with the consent of the Company, was engaged by Royal Bank of Canada (“**RBC**” or the “**Bank**”) as consultant during the Proposal Proceedings.
5. On May 3, 2024, the Proposal Trustee issued a report (the “**MAC Report**”) on a material adverse change in projected cash flow or financial circumstances. Attached to this First Report as **Appendix “2”** is a copy of the MAC Report issued by the Proposal Trustee.
6. Subsequent to the issuance of the MAC Report, RBC brought a motion for the appointment of the Receiver. The Company did not oppose the appointment of the Receiver based on the following, amongst others, substantial terms (although not completely formalized in the Receivership Order):
 - a) Upon appointment, the Receiver would undertake a 45-days “factory clearance” sale of the inventory by engaging employees of the Company as

the Business Premises of Igloo. For clarity, it was agreed that the Receiver would terminate all employees of Igloo and re-engage the necessary employees as independent contractors to assist with the factory clearance sale;

- b) Concurrently, NDG North America, LLC (“**NDG**”), with the consent and approval of the Receiver and RBC, would engage an auctioneer in United States of America (“**USA**”) to liquidate the inventory. The net proceeds from the sale of the inventory will be paid to the Receiver on account of amounts owing by NDG to Igloo; and
 - c) The fixed costs associated with NDG’s operations would be significantly reduced by terminating the lease with the landlord and scaling down the employees to one employee. NDG was in advanced discussions with the landlord with respect to vacating the premises and the landlord was holding two (2) months’ rent, which would cover the liquidation period proposed by NDG.
7. Spergel was appointed as the Receiver of all the assets, undertakings, and properties of Igloo (collectively, the “**Property**”) by Order of the Honourable Mr. Justice Wilton-Siegel of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) made on May 22, 2024 (the “**Receivership Order**”). Pursuant to paragraph 3 of the Receivership Order, the Court ordered that the Company’s notice of intention to make a proposal to creditors pursuant to section 50.4(1) of the BIA on February 21, 2024 and as extended by Orders of the Honourable Mr. Justice Black dated March 22, 2024 and April 8, 2024 was withdrawn. Attached to this First Report as **Appendices “3” and “4”** are copies of the endorsement of the Honourable Justice Mr. Wilton-Siegel and the Receivership Order.
8. The Receiver retained Harrison Pensa LLP as its independent counsel (the “**Receiver’s Counsel**”).

II. PURPOSE OF THIS FIRST REPORT AND DISCLAIMER

9. The purpose of this First Report is to advise the Court as to the steps taken by the Receiver in these proceedings and to seek Orders from this Court:
 - a) approving this First Report and the actions of the Receiver described herein, including without limitation, the Receiver's interim statement of receipts and disbursements as at November 28, 2024;
 - b) approving a transaction (the "**Transaction**") contemplated by an agreement of purchase and sale dated October 30, 2024, 2024 (the "**Purchase Agreement**") between the Receiver as vendor, and Nella Cutlery (Toronto) Inc. (the "**Purchaser**" or "**Nella**"), as purchaser, whereby the Purchaser will acquire the Company's right, title and interest in and to the Purchased Assets (as defined in the Purchase Agreement);
 - c) vesting in the Purchaser Igloo's right, title, and interest in and to the Purchased Assets free and clear of all liens, charges and security interests and other encumbrances save and except for "Permitted Encumbrances";
 - d) sealing the Confidential Appendices (as defined herein) to this First Report pending the closing of the Transaction or further Order of the Court; and
 - e) approving the fees and disbursements of the Receiver for the period to and including October 31, 2024 and for the Receiver's Counsel for the period to and including November 28, 2024.

Restrictions & Disclaimer

10. The Receiver will not assume responsibility or liability for losses incurred by the reader as a result of the circulation, publication, reproduction, or use of this First Report for any other purpose.
11. In preparing this First Report, the Receiver has relied upon certain information provided to it by the management of the Company. The Receiver has not performed an audit or verification of such information for accuracy, completeness

or compliance with Accounting Standards for Private Enterprises or International Financial Reporting Standards. Accordingly, the Receiver expresses no opinion or other form of assurance with respect to such information.

12. Unless otherwise stated, all monetary amounts contained in this First Report are expressed in Canadian dollars.

III. ACTIONS OF THE RECEIVER UPON APPOINTMENT

13. A copy of the Receivership Order was provided to the Company by RBC's counsel and by the Receiver. In addition, the Receiver prepared its statutory Notice and Statement of the Receiver in accordance with subsections 245(1) and 246(1) of the BIA and mailed copies of same to all creditors of the Company known to the Receiver.
14. Further to its appointment and commencing on May 22, 2024, the Receiver attended the Business Premises for the purpose of taking possession of and securing the Property. Additionally, the Receiver undertook the following activities:
 - a) met with senior management and the owner to obtain the books and records of the Company;
 - b) arranged for insurance coverage and security in respect of the Business Premises;
 - c) arranged for accounts related to utilities, credit card processing, pest control, alarm service, security, waste management, trailer rentals and reviewed and processed payments regarding same on an ongoing basis;
 - d) terminated all employees and completed necessary filings pursuant to the Wage Earner Protection Program Act ("**WEPPA**");
 - e) communicated with Canada Revenue Agency ("**CRA**");
 - f) placed a freeze upon all bank accounts operated by Igloo;
 - g) arranged for a full manual count of the food service equipment remaining after the on-site liquidation sale;

- h) reviewed security interests and lease claims by various creditors and arranged for release of assets to such creditors;
 - i) notified the Landlord of the appointment of the Receiver and arranged for the payment of occupation rent;
 - j) arranged for the seizure of all vehicles owned by Igloo; and
 - k) retained Lockit Security to assist the Receiver with management and safeguarding of the Business Premises.
15. Since the date Receiver took possession of the Business Premises, the Receiver's activities have been focused primarily on conducting the "factory clearance" sale and the day-to-day safeguarding of the inventory, the payment of rent, monthly utilities and insurance premiums and conducting regular inspections of the Business Premises and addressing any site-specific matters as they arise.

Inventory

16. The Receivership Order empowers the Receiver to, among other things, sell the assets of the Company without the approval of the Court, for any transaction not exceeding \$200,000, provided that the aggregate consideration for all such transactions does not exceed \$5,000,000.
17. As agreed prior to the appointment of the Receiver, the Receiver conducted a factory clearance sale from the Business Premises for the period from May 23, 2024 to on or about August 15, 2024. During the factory clearance period, the Receiver undertook the following actions:
- a) terminated all employees of Igloo and subsequently retained certain former employees on a limited independent contractor basis including ten (10) salespeople, four (4) management personnel, eight (8) warehouse personnel and ten (10) temporary workers;
 - b) performed, on a weekly and/or bi-weekly basis, issuance of record of employment for former employees, reviewed and approved time sheets and invoices submitted by independent contractors and processed payments to independent contractors;

- c) attended at the Business Premises daily to supervise the factory clearance process and deal with issues resulting from same including but not limited to meeting with customers, creditors, potential purchasers of the business and other parties;
 - d) addressed customer complaints and questions regarding receivership process and equipment/funds owed to such customers. Updated the records of the Receiver as additional creditors were discovered;
 - e) assisted the salespeople with the receivership process and collection policies in order to finalize sales contracts, ensure receipt of funds and delivery of the equipment; and
 - f) ensured that the customers understood that the equipment was being sold on an “*as-is-where-is*” basis with no representations or warranties although being assembled and tested prior to shipment by the independent contractors engaged by the Receiver.
18. As a result, the Receiver entered into 1,160 transactions with respect to the sale of smallware and 322 transactions with respect to the sale of equipment during the period of the factory clearance sale which resulted in total collections of \$2,757,601.96 excluding *Harmonized Sales Tax* (“**HST**”). The Receiver believes that it was commercially reasonable for the Receiver to sell the inventory in a factory clearance sale as the Receiver was able to sell (in most cases) the inventory for cost plus at least 25% profit as opposed to the potential sale at a liquidation or scrap value. None of the transactions the Receiver entered into with the customers exceeded the limit set out in the Receivership Order.

NDG

19. The Court, pursuant to paragraph 29 of the Receivership Order, ordered that the NDG will engage an auctioneer in the USA as approved by the Receiver and RBC to liquidate approximately \$1.3 million of inventory as detailed in the Second Report of the Proposal Trustee dated May 21, 2024 (the “**NDG Inventory**”). The Court further ordered that the net proceeds from the sale of the NDG Inventory will be paid to the Receiver on account of amount owing by NDG to the Company.

20. As at the date of this First Report, the Receiver is aware of two auctions conducted by NDG and has received net proceeds of \$93,532.66 from NDG related to these auctions.

IV. THE TRANSACTION

21. Pursuant to the terms of the Receivership Order, the Receiver was empowered and authorized to, among other things, market any or all of the Company's assets, including advertising and soliciting offers in respect of the assets and negotiation such terms and conditions of sale as the Receiver, in its discretion, deemed appropriate.
22. Upon completion of the on-site "factory clearance" sale of inventory, the Receiver began the process for the sale of the remaining inventory and other assets of Igloo
23. The sales process as detailed herein was communicated to and agreed to by the Company prior to its commencement.
24. An advertisement with respect to the proposed sale was placed in both the Globe and Mail and the Insolvency Insider. Attached to this First Report as **Appendices "5" and "6"**, respectively are copies of the advertisements placed in the Globe and Mail and the Insolvency Insider.
25. In addition, a teaser document (the "**Teaser**") was sent to approximately 30 parties who had previously expressed an interest in the assets subject to the receivership as well as to all liquidators known to the Receiver. The Teaser offered the Purchased Assets for sale on an "as-is, where-is" basis and required offers to be submitted on or before 4:00pm on September 16, 2024. Attached to this First Report as **Appendix "7"** is a copy of the Teaser.
26. As a result of the Receiver's marketing efforts, a total of twenty-one parties signed a Non-Disclosure Agreement ("**NDA**") and were provided with a copy of the Confidential Information Memorandum ("**CIM**") prepared by the Receiver and were granted access to the Receiver's data room both of which contained complete information relative to the assets for sale. Attached to this First Report as

Appendix “8” is a copy of the NDA. Attached to this First Report as “**Confidential Appendix “1”**” is a copy of the CIM.

27. From the parties who signed NDAs, a total of five offers were received. Attached to this First Report as “**Confidential Appendix 2”** is a copy of a Bid Summary prepared by the Receiver.
28. The Receiver accepted the offer submitted by Nella which offer is conditional only upon the approval of this Honourable Court and accordingly is the subject matter, *inter alia*, of this motion brought by the Receiver. Attached as **Confidential Appendix “3”** to this First Report (collectively with Confidential Appendices 1 and 2, the “**Confidential Appendices”**) is a copy of the Purchase Agreement. Attached to this First Report as **Appendix “9”** is a copy of the redacted Purchase Agreement.
29. The Receiver is of the view that the sale process was conducted in a commercially reasonable manner and that the market was extensively canvassed.
30. After reviewing the offers, the Receiver determined that the outright purchase offer (the “**Nella Offer”**) from Nella would net the highest realization and be the most appropriate transaction for the benefit of the stakeholders, as the Receiver would not be required to expend resources managing a further auction process, and further be assured of the purchase price, rather than having to rely on a percentage of the auction sales to determine its recovery. It is the opinion of the Receiver that the terms and conditions contained within the Purchase Agreement are commercially reasonable in all respects and that the purchase price in the Purchase Agreement is the best outcome to the estate in the circumstances.
31. RBC has been consulted with respect to the Transaction and supports the completion of same and the relief sought by the Receiver in the within motion.
32. The Receiver has confirmed that the Borrower does not oppose the Court approval of the Transaction.
33. The Receiver recommends that the Court approve the Transaction.

34. Attached to this First Report as **Appendix “10”** is a summary of registrations made under the *Personal Property Security Act (“PPSA”)* as against the Company.
35. All parties with an interest in the assets subject to the Transaction have been served with this motion.
36. If the closing of the Transaction is approved, same will close on a date that is ten business days after the date that the Approval and Vesting Order is granted by this Court.
37. Accordingly, the Receiver is seeking an order from this Honourable Court inter alia, approving the Transaction.
38. The Purchase Agreement includes a term that Nella is permitted to occupy the Business Premises for the Occupation Period (90 days from the Closing Date). The Receiver has been in communication with the landlord of the Business Premises with respect to the Transaction and the Occupation Period.
39. The Receiver shall continue to pay occupation costs to the landlord while in occupation of the Business Premises and will disclaim the subject lease and terminate such occupation at the earliest of the end of the Occupation Period or Nella no longer requiring occupation of the Business Premises.
40. The Receiver has worked with the landlord of the Business Premises in relation to certain repairs required to be undertaken at the Business Premises.

V. THE RECEIVER’S REQUEST FOR A SEALING ORDER

41. The Receiver is seeking a sealing order in respect of the Confidential Appendices as they each contain commercially sensitive information, the release of which prior to the completion of the Transaction would be prejudicial to the stakeholders of Igloo in the event the Transaction does not close.

VI. RECEIVER’S INTERIM STATEMENT OF RECEIPTS AND DISBURSEMENTS

42. Attached hereto as **Appendix “11”** is a copy of the Receiver’s Interim Statement of Receipts and Disbursements as at November 28, 2024.

VII. FEES AND DISBURSEMENTS OF THE RECEIVER

43. Attached to this First Report as **Appendix “12”** is the Affidavit of Mukul Manchanda, sworn November 29, 2024, which incorporates by reference a copy of the time dockets pertaining to the receivership of the Company, for the period to and including October 31, 2024, in the amount of \$405,915.47 inclusive of disbursements and HST. This represents a total of 1251.90 hours at an average rate of \$324.24 per hour, exclusive of HST.

VIII. FEES AND DISBURSEMENTS OF RECEIVER’S COUNSEL

44. Attached to this First Report as **Appendix “13”** is the Affidavit of Thomas Masterson, sworn November 29, 2024, which incorporates by reference a copy of the accounts rendered by the Receiver’s Counsel for the period to and including November 28, 2024, in the amount of \$67,908.66 inclusive of disbursements and HST.

45. The Receiver has reviewed the accounts of the Receiver’s Counsel and given the Receiver’s involvement in this matter, the Receiver is of the view that all of the work set out in the accounts of Receiver’s Counsel was carried out and was necessary. The hourly rates of the lawyers who worked on this matter were reasonable in light of the services required, and the services were carried out by lawyers with the appropriate level of experience.

IX. RECOMMENDATION

46. The Receiver respectfully requests that this Honourable Court grant the relief sought in this First Report.

**REPORT OF THE TRUSTEE ON MATERIAL ADVERSE CHANGE
IN PROJECTED CASH FLOW OR FINANCIAL CIRCUMSTANCES**
Section 50.4(7)(b) of the *Bankruptcy and Insolvency Act* (Canada)

I. INTRODUCTION

1. Albert Gelman Inc. (the “**Proposal Trustee**”) in its capacity as the Proposal Trustee in the Proposal of Igloo Industries Group Inc. (“**Igloo**” or the “**Company**”), files this Material Adverse Change Report pursuant to section 50.4(7)(b) of the *Bankruptcy and Insolvency Act* (Canada) (the “**BIA**”). This Report is being filed with the Official Receiver and the Ontario Superior Court of Justice (Commercial List) (the “**Court**”).

2. The Proposal Trustee has ascertained that a material adverse change in the Company’s financial circumstances has occurred.

3. Specifically, on March 1, 2024, the Company filed an initial cash flow statement (the “**Initial Cash Flow Forecast**”), following the filing of the Company’s Notice of Intention to Make a Proposal (the “**NOI**”) dated February 21, 2024 (the “**Filing Date**”). An updated cash flow statement (the “**Revised Cash Flow Forecast**” and together with the Initial Cash Flow Forecast, the “**Cash Flow Forecasts**”) dated March 15, 2024, was included in the Company’s motion materials filed in support of a motion to, among other things, extend the time for the Company to file a Proposal, which motion was heard in two stages, on March 20, 2024 and April 8, 2024, respectively.

4. Igloo’s actual cash receipts from operations and all other sources since the Filing Date are significantly below the projections contained in the Cash Flow Forecasts. As a result, the Proposal Trustee is of the opinion that a material adverse change in the Company’s circumstances has occurred which has or will result in:

- a. a significant adverse effect on the projected cash-flow;

- b. a significant or reasonably expected to be significant impairment of the Company's financial circumstances in so far as it has less working capital available than what was projected in the Cash Flow Forecasts; and
- c. a potential prejudice to the rights and interests of one or more classes of creditors.

II. BACKGROUND

5. On April 8, 2024 the Company obtained an order (the "**Extension Order**") from the Court for, among other things, an extension of time to file its proposal to May 22, 2024 (the "**Extension**"). Attached hereto at **Exhibit "A"** is a copy of the Extension Order.

6. Copies of the Court materials and other information pertaining to Igloo's NOI proceedings are available on the Proposal Trustee's website at: <https://www.albertgelman.com/corporate-solutions/other-engagements/> (the "**Case Website**").

III. MATERIAL ADVERSE CHANGE

7. As stated above, Igloo, with the assistance of the Proposal Trustee, prepared the Initial Cash Flow Forecast, which, in accordance with Section 50.4(2) of the BIA, was filed with the Official Receiver on March 1, 2024 (the "**Initial Cash Flow Forecast**").

8. Following discussions among the Company and the Proposal Trustee regarding the Initial Cash Flow Forecast, the Initial Cash Flow Forecast had to be revised to incorporate certain disbursements not initially forecasted. As such, Igloo, with the assistance of the Proposal Trustee, prepared the Revised Cash Flow Forecast setting out the Company's projected cash flows for the thirteen (13) week period ended June 9, 2024, which, as noted above, was filed with the Official Receiver and the Court in support of the Company's request for the Extension. The purpose of the Revised Cash Flow Forecast was, among other things, to provide the Proposal Trustee and the Company's stakeholders with a reasonable projection of the Company's receipts and disbursements

to support that the Company anticipates having sufficient cash flows to meet its ongoing obligations throughout the period of the Extension.

9. During the ten-week period ending April 28, 2024 (the "**Subject Period**"), the Company projected that its cash receipts would be approximately \$2.3 million. Actual cash receipts during that period were approximately \$1.5 million, representing an approximately \$0.8 million or 36% unfavourable variance from forecast.

10. Management of the Company has advised the Proposal Trustee that the Company's actual receipts were significantly below the forecasted amounts for the following reasons:

- a. certain of the Company's customers have cancelled or delayed purchases due to misunderstanding the nature of the Company's process as a bankruptcy rather than a debtor-in-possession restructuring;
- b. certain of the Company's customers have cancelled or delayed purchases due to a lack of confidence in the Company's ability to provide after-sale support, including in terms of warranty work and spare parts;
- c. certain of the Company's competitors have approached customers and potential customers of the Company in order to invite those customers to do business with them instead of doing business with the Company, including by sharing facts or interpretation of facts that are incomplete or inaccurate; and
- d. certain of the Company's customers have cancelled or delayed purchases due to their own financial challenges, including generalized difficulties in the restaurant, grocery and food industries.

11. Notwithstanding the unfavourable sales/collections results, the Company has taken steps to manage its liquidity such that, on a net cash flow basis, Igloo was only approximately \$40,000 unfavourable to forecast during the Subject Period.

IV. PROPOSAL TRUSTEE'S INTENDED COURSE OF ACTION

12. The Proposal Trustee is of the view that the unanticipated difficulties encountered by the Company in generating revenue, resulting in a significant variance between the Company's forecast and actual results, constitutes a material adverse change in the financial circumstances of the Company pursuant to section 50.4(7)(b) of the BIA.

13. The Proposal Trustee's intended course of action is to:

- a. file this report with the Official Receiver without delay pursuant to subsection 50.4(7)(b)(i) of the BIA; and
- b. distribute this report to all known creditors of the Company pursuant to subsection 50.4(7)(c) of the BIA.

14. The Proposal Trustee will also make this report available on the Case Website

15. The intention of the Proposal Trustee is to ensure that the creditors and the Company are in a position to make informed decisions with respect to their next steps, and more generally, the future progress of this NOI proceeding.

Dated at Toronto, Ontario this 3rd day of May 2024.

ENDORSEMENT

All parties on the service list of the NOI proceedings have been served in respect of the motions before me and no objections have been received.

The RBC seeks the appointment of a receiver. The BDC supports this motion. The debtors do not oppose this relief. Given the material adverse change that has occurred in respect of the corporate debtor's business, the Proposal Trustee considers the motion and proposed auction sale to be appropriate. I am satisfied that a

receivership order is necessary in the present situation to protect the creditors, particularly the RBC and BDC who represent the preponderance of the claims against the corporate debtor.

Given the receivership order, it is necessary to deconsolidate the NOI proceedings. The individual debtors also seek an extension of time to file a proposal. The RBC and BDC do not oppose this relief. Given the need to sort out the creditors as between the corporate debtor and the individual debtors, this relief is also appropriate. I am also satisfied that the requirements of s. 50.4(9) of the *Bankruptcy and Insolvency Act* in respect of the requested extension of time have been satisfied. The individual debtors are acting in good faith, no creditor has identified any prejudice if the extension is granted, and the debtors will be in a position to make a proposal after the NOI proceedings are deconsolidated, the creditors of the parties are sorted out, and the development property owned by the individual debtors is sold.

Accordingly, a receivership order and an order deconsolidating the NOI proceedings and extending the time for filing a proposal shall issue in the forms attached.

In consideration of the Confidential Information being made available to you, you hereby undertake that for a period of one **(1)** year from the date of your agreement hereto:

- (a) access to the Confidential Information will be restricted solely to persons, including Representatives (the “**Involved Persons**”) who will directly participate in the internal consideration and review by the Prospective Offeror of the Transaction;
- (b) you will use the Confidential Information only for the purpose of evaluating the Transaction and considering the terms thereof and not for any other or collateral purpose, including for use in any legal proceeding except a legal proceeding in respect of this Agreement;
- (c) you will treat and safeguard as private and confidential all the Confidential Information received at any time from the Company using a standard of care no less than the degree of care that you would reasonably be expected to employ for your own similar confidential

information, in any event, the Prospective Offeror agrees to be responsible for any breach of this Agreement by any of its Representatives except where required by court order or judgement or by applicable law;

- (d) you will not, and you will ensure that your Representatives shall not at any time without the prior consent of the Receiver, discuss with the management, employees or shareholders of the Company or any other person, the Confidential Information or any matter in relation to the Company or the Transaction;
- (e) you will not, and you will ensure that your Representatives shall not at any time without the prior written consent of the Receiver, directly or indirectly disclose or permit the disclosure to any person except where required by court order or judgement or applicable law (other than those of your Representatives who need to know or see the same in the course of their duties and who are informed of the confidential nature of the same) that discussions are taking place in relation to the Transaction;
- (f) to the extent feasible, the Involved Persons will be individuals whose other responsibilities are not such that they might be motivated to make use of the Confidential Information for purposes not contemplated by this letter;
- (g) upon termination of discussions between the Receiver and the Prospective Offeror, unless the Prospective Offeror completes the purchase of the Assets at the Receiver's request, all of the Confidential Information, which at the sole discretion of the Receiver was provided to the Prospective Offeror, will be returned to the Receiver, with no copies being retained, no use shall be made thereof by the Prospective Offeror and, if so requested, a senior officer of the Prospective Offeror will provide us with a certificate that there has been compliance with this clause (g).

The Prospective Offeror shall be responsible for and shall indemnify and hold the Receiver harmless from any damages whatsoever arising out of any breach of this Agreement by the Prospective Offeror or its Representatives. Should disclosure be required by Court Order or judgement or applicable law, then the Prospective Offeror agrees to give the Receiver three (3) business days' notice prior to making the required disclosure to allow the Receiver the opportunity to apply to the Court for an injunction restraining disclosure.

Other Proceedings

The execution of this Confidentiality Agreement shall not, in and of itself, affect the ability of a Prospective Offeror to request the Receiver to provide documents in the possession and control of the Receiver in the context of other Court proceedings, or the fulfillment of Orders made in such other proceedings.

No Representation or Warranty

Neither the Receiver, nor any of its officers, directors, advisers, agents, employees or legal representatives, make any representation or warranty (express or implied) or shall have any responsibility or liability whatsoever or howsoever arising in respect of any Confidential

Information or any other information supplied to you hereunder or of the accuracy or completeness thereof or of any other matter concerning the Company or that such information will remain unchanged. You must make your own independent assessment of the Assets, and rely on your own judgment in reaching any conclusion.

No Offer or Obligation

You agree that any documents or information (whether confidential or otherwise) made available to you for the purpose of evaluating the Assets do not and will not constitute an offer or invitation or form the basis of any contract and no interest, licence or any right in respect of the Confidential Information, other than expressly as set out herein, is granted to you. Nothing in this agreement or otherwise obligates the Receiver to make any Confidential Information or disclosure available to you and the Receiver shall be entitled at any time to decline to provide or to continue to provide any Confidential Information to you.

Specific Performance

You hereby acknowledge and agree that the provisions of this Agreement are of a special and unique nature, the breach of which shall cause a loss which cannot be accurately compensated for in damages through an action at law, and that the material breach or threatened breach of the provisions of this Agreement by the Potential Offeror or any of its Representatives would cause the Receiver irreparable harm and that money damages would not be an adequate remedy for any uncured material breach or threatened breach of the provisions of this Agreement by the Potential Offeror or any of its Representatives.

The Potential Offeror hereby agrees on behalf of itself and its Representatives that the Receiver shall be entitled to equitable relief, including, without limitation, an injunction or injunctions (without the requirement of posting a bond, other security or any similar requirement or proving any actual damages), to prevent material breaches or threatened breaches of this Agreement by the Potential Offeror or any of its Representatives and to specifically enforce the terms and provisions of this Agreement, this being in addition to any other remedy to which the Receiver is entitled at law or in equity.

Entire Agreement and Severability

This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter and cancels and supersedes any prior understandings and agreements between the parties hereto and no amendments hereto shall be valid unless it is in writing and signed by both parties. If any provision in this agreement is held to be invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision and all other provisions hereof shall continue in full force and effect.

No Waiver; Remedies

No failure or delay by any party in exercising any right, power or privilege under this Agreement will operate as a waiver of the right, power or privilege. A single or partial exercise of any right, power or privilege will not preclude any other or further exercise of the right, power or privilege or the exercise of any other right, power or privilege. The rights and remedies provided in this Agreement will be cumulative and not exclusive of any rights or remedies provided by law.

Applicable Law

This agreement shall be governed by and construed in accordance with the laws of the Province of Ontario, and the federal laws of Canada, as applicable, and shall enure to the benefit and be binding upon the respective successors and permitted assigns of the parties hereto.

THIS MOTION, made by msi Spergel inc. in its capacity as the Court-appointed receiver (the "Receiver") of the undertaking, property and assets of Igloo Industries Group Ltd. (the "Debtor") for an order approving the sale transaction (the "Transaction") contemplated by an agreement of purchase and sale (the "Sale Agreement") between the Receiver and Nella Toronto Inc. (the "Purchaser") dated October 30, 2024 and appended to the Report of the Receiver dated [DATE] (the "Report"), and vesting in the Purchaser the Debtor's right, title and interest in and to the assets described in the Sale Agreement (the "Purchased Assets"), was heard this day at 330 University Avenue, Toronto, Ontario.

ON READING the Report and on hearing the submissions of counsel for the Receiver, [NAMES OF OTHER PARTIES APPEARING], no one appearing for any other person on the service list, although properly served as appears from the affidavit of [NAME] sworn [DATE] filed:

1. THIS COURT ORDERS AND DECLARES that the Transaction is hereby approved, and the execution of the Sale Agreement by the Receiver is hereby authorized and approved, with such minor amendments as the Receiver may deem necessary. The Receiver is hereby authorized and directed to take such additional steps and execute such additional

documents as may be necessary or desirable for the completion of the Transaction and for the conveyance of the Purchased Assets to the Purchaser.

2. THIS COURT ORDERS AND DECLARES that upon the delivery of a Receiver's certificate to the Purchaser substantially in the form attached as Schedule A hereto (the "Receiver's Certificate"), all of the Debtor's right, title and interest in and to the Purchased Assets described in the Sale Agreement and listed on Schedule B hereto shall vest absolutely in the Purchaser, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, mortgages, trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, or other financial or monetary claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the "Claims") including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Order of the Honourable Justice Wilton-Siegel dated May 22, 2024; (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Ontario) or any other personal property registry system, and, for greater certainty, this Court orders that all of the Claims affecting or relating to the Purchased Assets are hereby expunged and discharged as against the Purchased Assets.
3. THIS COURT ORDERS that for the purposes of determining the nature and priority of Claims, the net proceeds from the sale of the Purchased Assets shall stand in the place and stead of the Purchased Assets, and that from and after the delivery of the Receiver's Certificate all Claims shall attach to the net proceeds from the sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale, as if the Purchased Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.
4. THIS COURT ORDERS AND DIRECTS the Receiver to file with the Court a copy of the Receiver's Certificate, forthwith after delivery thereof.
5. THIS COURT ORDERS that, notwithstanding:

- (c) any assignment in bankruptcy made in respect of the Debtor;

the vesting of the Purchased Assets in the Purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of the Debtor and shall not be void or voidable by creditors of the Debtor, nor shall it constitute nor be deemed to be a fraudulent preference, assignment, fraudulent conveyance, transfer at undervalue, or other reviewable transaction under the *Bankruptcy and Insolvency Act* (Canada) or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

6. THIS COURT HEREBY REQUESTS the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order.
